Letter from the Chairman of the Parish Council:

Some negatives and positives to inform you about this autumn.

The annual **Litter pick** will not be held in future. Thank you very much to the ONE member of the village who came to help us this year. We would ask you, please, to help your part of the parish clear of litter.

Many of you may have seen ' **The Feather**' in Whistle Crag lay-by. It is part of a Teesdale wide art installation. It is not in the council's preferred location (at the other end of the lay-by) nor has it been installed in line with the agreed planning authority. We continue our discussions with DCC Highways & Planning and the group responsible. Please note NO precept has been spent on this art installation and the parish is not responsible for its upkeep.

Good news — **Signage on the Teesdale Way** will be updated and improved over the next few months. The **Interpretation Boards** at Whistle Crag lay-by and beside the Saddle House are to be renewed by the end of September. These are being paid for by a grant from Heart of Teesdale. The Government's Transparency Code is funding a new **dedicated laptop** for the Parish Clerk and **our new website** which has been organised by Jamie McBain (thank you Jamie).

Finally—**A BIG THANK YOU** to the Friends of Eggleston Recreation Park, for all their hard work over the past 8 years. The group has now disbanded, in line with their terms of reference. The Council has resumed full responsibility for the park.
